DOKUMENTINDHOLD

Viera Collaro skriver til Sonja Ferlov Mancoba, Ernest Mancoba og Wonga Mancoba, at hun som lovet sender dem en bog om samtidig amerikansk kunst. Hun håber, den vil give dem et mere positivt syn på amerikansk kunst.

March 13th, 1969

Dear Mancoba's,

I must thank you again for the beautiful afternoon that we shared together. Our conversation was most stimulating and benefiting and it also helped me to understand your work.

As I had promised I am sending you the book which deals with contemporary American art. Hopefully it will help to give you a more positive view.

With my best regards,

Viera Collaro
