Dear Mr Mancoba

I trust this letter finds you well and in good health.

As you probably know, Lifeline out of Africa has been well received in South Africa and we have sold more than 700 copies to date.

I am enclosing a letter to you which we received recently. I trust you will handle with it in the way you feel appropriate.

Elza Miles sends her regards; please also give mine to Wonga.

With best wishes,

Riël Hauman
