**DOCUMENT CONTENT**

Viera Collaro writes to Sonja Ferlov Mancoba, Ernest Mancoba, and Wonga Mancoba that she is sending them a book on contemporary American art as promised. She hopes it will give them a more positive view of American art. translated 2025-02-07

March 13<sup>th</sup>, 1969

Dear Mancoba's,

I must thank you again for the beautiful afternoon that we shared together. Our conversation was most stimulating and benefiting and it also helped me to understand your work.

As I had promised I am sending you the book which deals with contemporary American art. Hopefully it will help to give you a more positive view.

With my best regards,

Viera Collaro  
(the American girl from Denmark)
