General comment:
Sonja Ferlov Mancoba is listed as a "sculptor," even though she studied painting at the Danish Academy of Fine Arts under, among others, Aksel Jørgensen. In 1936, she identifies herself as a sculptor, a shift that took place in the summer of 1935 on Bornholm. However, Sonja Ferlov Mancoba also continues to paint, draw, and create collages. translated 2025-02-07
