DOCUMENT CONTENT

The first 9 minutes concludes an interview of Clarisse Penso begun in file 46-1. The remainder of the file covers Ernest's interpretation of Giacometti's art, the artistic quarrel amongst the Danish artists, and Ernest's work being inspired by seeing the frescoes in Danish churches.

About the recordings: Ernest Mancoba's son, Marc also known as Wonga, recorded 200+ interviews with his father. The interviews seemed to serve different purposes and are not in chronological order. A selection, based on art historical relevance and copyright clearance, have been published.
