DOCUMENT CONTENT

Poul Vad writes to Sonja Ferlov Mancoba, Ernest Mancoba, and Wonga Mancoba with recommendations to Wonga about Danish Kierkegaard researchers. He thanks Ernest for his comments on his latest book and compliments him for having read it in Danish. He mentions that he will be teaching Edvard Weie at the university and intends to write something about him one day. translated 2025-02-07

Kære Sonya, Ernest og Wouga,

Tak for jeres brev og hilsener. Vi var meget glade for at have besøg af Wouga og håber at se ham igen her - ja, det gælder jer alle. Jeg kan fortælle dig, Wouga, at der findes et professorat i Kirkegaard - da man ikke vidste hvor man ellers skulle anbringe det, findes det under det teologiske fakultet! Professorens hedder Thulstrup, men jeg har hørt at den bedste lærer hedder Malantschuk - jeg tror han er en russere der har læst sig ganske af hensyn til Kirkegaard, og han har også udgivet bøger om Kirkegaard. Det kan jeg skaffe dig værmer oplysninger om hvis det har din interesse.

Dear Ernest, I was very glad to read

Your remarks on my recent book. I had been working hard on this novel for more than two years - but ~~to~~ who can judge his own work? I only know that I put in it all that I possibly could. I think it is amazing that you are capable to read a whole novel in Danish - and not the most straightforward Danish at that. By now I am preparing lectures at university about Edward Weie - a great painter and a very intriguing personality. He felt the whole cultural mess of this century and was deeply affected by it - maybe I'll write something about him some day.

Vi har det ellers godt - I øjeblikket er det søndag formiddag og børnene har flyet det halve af hele huset med deres legetøj, for de har bygget ud over alle gulvene. Sådan har de nu arbejdet i fire timer, fuldstændig opslugt! Hvornår får vi jer alle at se? -

hav det godt i det nye år, og ønske jer bøger og inspiration til arbejdet.

Manne hilsener fra Kasper, Signe, Koen og
Poul
