Dear Mr. Manesba,

A year ago - at the reception of Eiler Bille in Den Frie (Copenhagen) - we met very shortly. I'm a very close friend of Agnete & Eiler Bille - although more than a generation younger.

In my small collection - or accumulation - of works by the Helhesten/Høst/Cobra-group I have both Agnete's & Eiler's. I should appreciate to include one or two works of yours.

I'll be in Paris on March 28-30 this year. Will it be suitable to you to receive me for a short visit one of the mentioned days? For your information I speak French as well as English.

Looking forward to your early reply I include all the Best Regards from Agnete & Eiler with whom I had a chat yesterday evening - and from whom I have your address.

Sincerely yours, Jens S. Bork

P.S. In your reply please quote your telephone number, if any.
